COMPANY POLICY #19

Subject: Proprietary Customer Information

It is the policy of this Company to maintain and protect the confidential and proprietary information it possesses of its customers. Unless required to do so by law or unless such information will assist the Company in providing telecommunications services, no customer confidential or proprietary information will be given to any third parties. For the purposes of this policy, "customer confidential or proprietary information" does not include any information published in any telephone directory.

Adopted by the Board of Directors on November 29, 2001
